

ACHRM Consultant Membership Application

The Association for Corporate Health Risk Management

The Association for Corporate Health Risk Management (ACHRM) is a unique employer community where employers can collaborate with their peers, learn new methods and techniques to reduce their company's health care costs, implement or improve quality healthcare programs, and improve employee well-being and productivity.

ACHRM offers education opportunities for employers and seeks to develop solutions for employer challenges across NINE Healthcare Cost Containment Strategies (HCCs) and is the only national Association directly supporting employers by offering education, solution development, assessments and implementation services encompassing our NINE HCCs.
